Re: Operator Status of the Hobo #1 Mine, S/019/023, Grand County, Utah

Dear Ms. Wheaton:

The operator of record for the Hobo #1 mine, is Delbert Burr. We haven't heard anything from Mr. Burr for two years. The Division requires annual reports for all mines in Utah.

The BLM has indicated that you are now operating a portion of the old Hobo #1 mine; we will need formal confirmation of that. Please send us a copy of your notice with the BLM or fill out the enclosed Small Mining Notice form. We suggest that you specify what areas of the Hobo site you now control. The rest we will probably list as abandoned by the previous operator.

Thank you for your assistance.

Sincerely,

Holland Shepherd
Senior Reclamation Specialist
